Replace the Missing Letters

Estimated play time: Approximately 15 minutes
Number of players: Unlimited
Supplies needed: Tokens (for scorekeeping); prizes (small) for winner(s)

Overview:

This week's **Replace the Missing Letters** theme (and **Hangman**, posted separately) marks the end of National Hispanic Heritage Month with this list of **PEOPLE, PLACES, AND THINGS RELATED TO HISPANIC HISTORY AND CULTURE**.

Instructions:

1. Write the first clue on a white board or easel large enough for all to see. Be sure to place empty lines where the letters are missing.
2. Allow players to shout out answers.
3. Instead of scoring, you might consider passing out a token (for example, a poker chip, or a piece of cardboard, or a spare button) to the first person you hear shout out the correct answer.
4. When the game is over, the person with the most tokens wins the game. You might consider giving him or her a lottery ticket or a special chocolate bar for that achievement.
