Estimated play time: Approximately 15 minutes

Number of players: Unlimited

Supplies needed: Scoring board/pad; noisemakers

Suitable for visually impaired players.

Overview:

In this game, each question has two definitions. Both answers contain the same letters in the same order; but the second answer has an additional *T* placed somewhere in the word. For example:

Q: The score an expert would likely get for a given hole/Some, but not all of something

A: Par/Part

Instructions:

1. This game can be played by individuals or in teams.
2. Read the first pair of definitions. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may 'buzz' in and answer.
4. Scoring: Give 10 points for each correct answer.
