Compound Images

Estimated play time: Approximately 15 minutes

Number of players: Unlimited

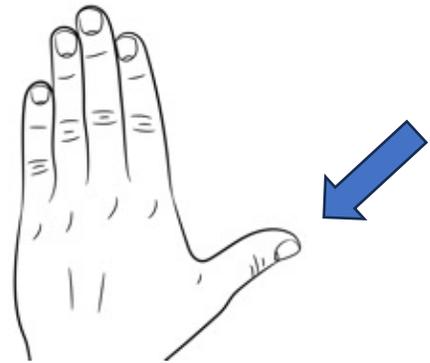

Supplies needed: Scoring board/pad; noisemakers

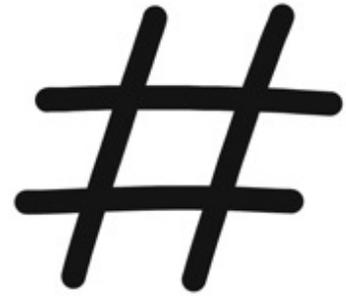

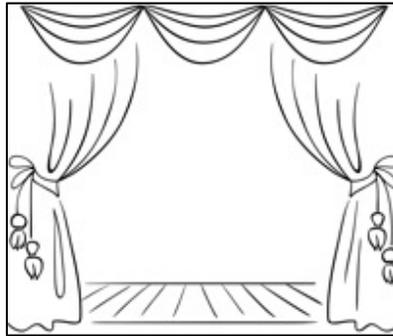

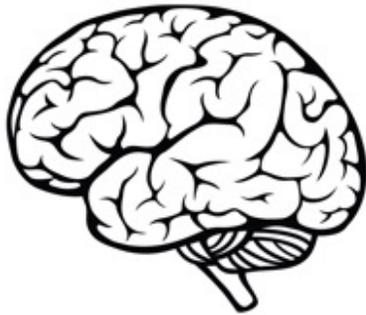

Overview:

In this game we provide twenty-four images. The goal is to put two images together to come up with twelve compound words or two-word phrases. Each image will be used only once.

Instructions:

Print (in the best quality printing available to you – color is best, but black and white should work, too) the following two pages and pass them out to each player. If you want to save on the color printing, two players can share one document. If you have the technology, you could also project the images on a screen.
