

2/12/23

How Much Do You Know About...

Estimated play time: Approximately 15 minutes

Number of players: Unlimited

Supplies needed: Tokens (for scorekeeping); Prizes (small) for winner(s)

Suitable for visually impaired players.

Overview:

In this game, we look at one subject in depth – it could be a person, place, event, or thing. This week, let's see how much you know about ... THE NUMBER SEVEN.

Instructions:

1. This game can be played by individuals or teams.
2. Read the first question. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a team is recognized as the first to signal, they may give one answer. If the first answer is incorrect, the other teams may 'buzz' in and answer.
4. Keep score (10 points for each answer) after each question is answered correctly. Play until all questions have been asked and answered.
