Two-Minute Madness

Estimated play time: Approximately 15 minutes
Number of players: Unlimited
Supplies needed: Scoring board/pad; noisemakers
Suitable for visually impaired players

Overview:

One question. Two minutes. Multiple answers. In Two-Minute Madness, a question is asked that has multiple answers (usually anywhere from 5 to 100+). The goal is to see how many correct answers your players can come up with in two minutes.

Question:

How many RIVERS (anywhere in the world) can you name in two minutes?

Instructions:

This game can be played several ways:

- Teams of players write down as many answers as they can in two minutes, each team getting one point per correct answer;
- Individual players write down as many answers as they can in two minutes, scoring as above; or
- All players just shout out answers in a free-for-all style with no scoring.
