Blank of Blank

Estimated play time: Approximately 15 minutes
Number of players: Unlimited
Supplies needed: Scoring board/pad; noisemakers
Suitable for visually impaired players.

Overview:

All of the familiar phrases in this quiz take the same form: *(Blank) of (Blank)*, as in *Ace of Spades* or *Nick of Time*. We provide the first two words, and you must give the last word. Note that for each phrase, only one word is missing. For example, with the phrase *Queen of _____*, the answer *Queen of the Nile* would be unacceptable, while *Queen of Hearts* is a correct answer.

Instructions:

1. This game can be played by individuals or in teams.
2. Read the first definition. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may "buzz" in and answer.
4. Scoring: Give 10 points for each correct answer.
