Love Actually

Estimated play time: Approximately 15 minutes
Number of players: Unlimited
Supplies needed: Scoring board/pad; noisemakers

Overview:

In 2003, the movie *Love Actually* debuted and quickly became a Christmas classic. In this game, we look in depth at *Love Actually* to test how well you remember some of the details of that charming film.

Instructions:

1. Divide the players evenly into teams (or as closely as possible).
2. Read the first question. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may 'buzz' in and answer.
4. Keep score (10 points for each answer) after each question is answered correctly. Play until all questions have been asked and answered.
