Famous Opponents 1

Estimated play time: Approximately 15 minutes
Number of players: Unlimited
Supplies needed: Scoring board/pad; noisemakers
Suitable for visually impaired players.

Overview:

Dogs and Cats. Coke and Pepsi. Hamilton and Burr. They're all well-known rivals. Given one half of a rival pair, can you name the worthy (or not so worthy) opponent?

Instructions:

1. This game can be played by individuals or in teams.
2. Read the first clue. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may "buzz" in and answer.
4. Scoring: Give 10 points for each correct answer.
