Influential Women

Estimated play time: Varies

Number of players: Unlimited

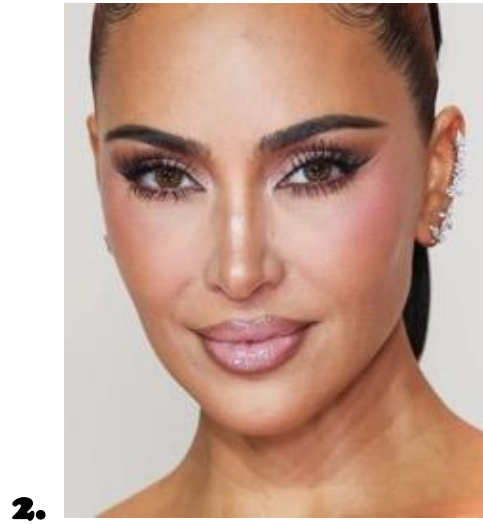

Supplies needed: Scoring board/pad

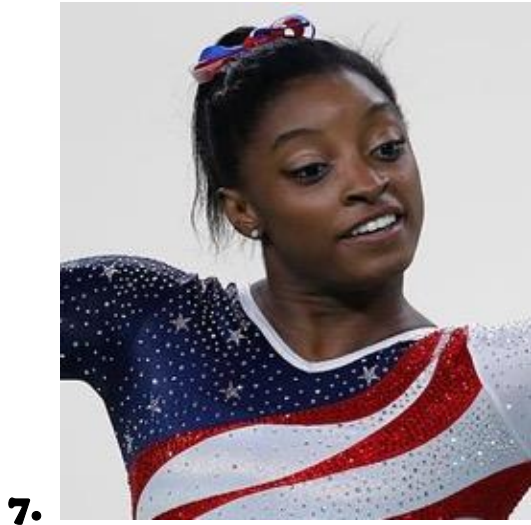

Overview:

March is Women's History Month. To mark the occasion, we're providing you with images of influential women in entertainment, politics, sports the arts, business and other fields (according to several websites such as *Forbes*, *Readers Digest*, *Time*, and others). You may like them ... you might not, but can you identify these well-known women in the news?

Instructions:

1. This game can be played by individuals or in teams.
2. Project the images of women on a monitor, screen, or white board; or print out the images and pass them out to each player or team of players.
3. Go through the pictures one at a time and let players shout out answers.
4. There's no scoring with this game – just have fun!
