One-Minute Madness

Estimated play time: Approximately 15 minutes
Number of players: Unlimited
Supplies needed: Scoring board/pad; noisemakers
Suitable for visually impaired players.

Overview:

How many single words can you come up with in ONE MINUTE that complete the two-word phrase or compound word: **(Blank) LIFE**? We came up with 22 answers. Get half of those and you're doing great.

And for a bonus game, how many single words can you come up with in ONE MINUTE that complete the two-word phrase or compound word: **LIFE (Blank)**. For this version, we found 32 answers.

Instructions:

1. This game can be played by individuals or in teams.
2. Read the first question. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may 'buzz' in and answer.
4. Scoring: Give 10 points for each correct answer.
