

9/6/26

Prime Time Rhyme

Estimated play time: Approximately 15 minutes

Number of players: Unlimited

Supplies needed: Scoring board/pad; noisemakers

Overview:

There are three answers for each question ... and they all rhyme.

Instructions:

1. This game can be played by individuals or in teams.
2. Read the first three definitions. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may 'buzz' in and answer.
4. Scoring: Give 10 points for each correct answer.
