Overview:

You already know how to play trivia quizzes. Here are a few additional ideas to consider if you want a more, or less, competitive game.

Instructions

1. Create a tournament format in which permanent teams compete in playoffs and a final champion team is crowned.
2. Collect a small amount of money from each player (for example, 50 cents or a dollar) and put it into a kitty. The winning team splits the kitty.
3. Buy some lottery tickets to use as prizes for the winners (and runners up).
4. To create a less competitive game, just give one point for every question answered.
