Golden Oldies

Estimated play time: Varies

Number of players: Unlimited

Supplies needed: Scoring board/pad

Suitable for visually impaired players.

Overview:

Given the first few words of a popular classic song, can you complete the line or stanza – without making a single mistake?

Instructions:

1. This game can be played by individuals or in teams.
2. Read the first clue. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a player/team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the others may 'buzz' in and answer.
4. Keep score (10 points for each answer) after each question is answered correctly. Play until all questions have been asked and answered.
