

10/30/22

Identify the Logo

Estimated play time: Approximately 15 minutes

Number of players: Unlimited

Supplies needed: Scoring board/pad; noisemakers

Suitable for visually impaired players.

Overview:

Every day we see dozens, if not hundreds, of corporate logos, symbols, and mascots. Can you identify the companies or organizations connected with these common images?

Instructions:

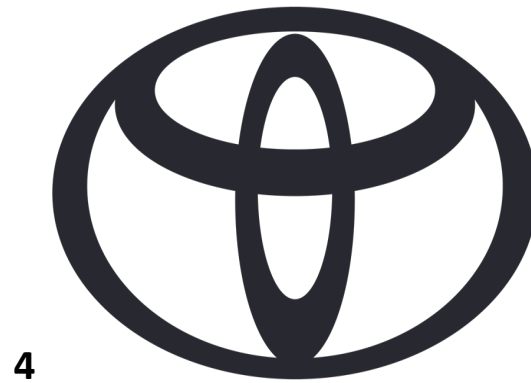

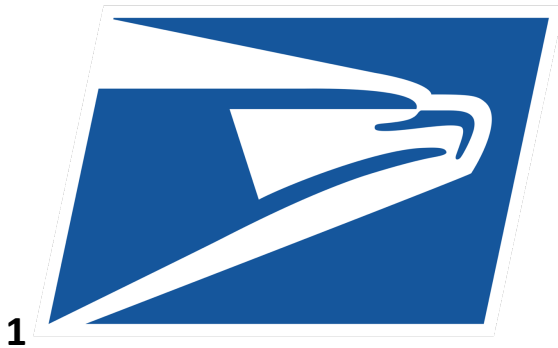

If you have the available technology, project these logos onto a screen or monitor. If not, print the following three pages (in the best quality printing available to you) and pass them out to each player. If you want to save on the color printing, two or three players can share one document.

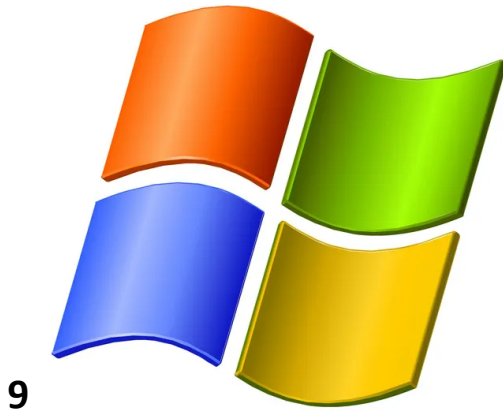

There's no scoring on this game; just have fun identifying the logos!
