

7/9/23 Question For Discussion

The Perfect Meal

Let's pretend that you've won a contest. Your prize is for an award-winning chef to come and make a gourmet dinner for your community or senior center — and you get to pick the menu! Including an appetizer, a salad, a main course, and a dessert, what would you have the chef prepare? Indulge your imagination and your taste buds, because the price of the food is not a consideration — anything goes. Bon appétit!
