

5/19/24

# Geographical Endings & Beginnings

Estimated play time: Approximately 20 minutes  
 Number of players: Unlimited  
 Supplies needed: Scoring board/pad; noisemakers  
 Suitable for visually impaired players.

## Overview:

In this game, players are given the first half of a compound word or a two-word phrase and the second half of another compound word or a two-word phrase. They must provide the one word that completes both. For example, given:

*Credit* \_\_\_\_\_ *Trick*

players should think *Credit Blank* and *Blank Trick*. The one word that completes both *Credit* and *Trick* is *Card* — making *Credit Card* and *Card Trick*.

This is a special version of our **Endings & Beginnings** game, in which each correct answer contains at least one geographically related word, and sometimes other proper nouns as well.

**Important Note:** This game is fun but challenging. It may be best to give players the first letter of the answer; or if you think they might want to try before getting a hint, you can give them the first letter after it's clear that they're stumped. It will also help if you write the words on the board so that the players can see them.

## Instructions:

1. This game can be played by individuals or in teams.
2. Read the first clue. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year's blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may 'buzz' in and answer.
4. Scoring: Give 10 points for each correct answer.

## Geographical Endings & Beginnings

Given the first half of a compound word or a two-word phrase and the second half of another compound word or a two-word phrase, you must provide the one word that completes both. For example, given *Credit \_\_\_\_\_ Trick*, the correct answer is *Card* (*Credit Card/Card Trick*). *Note: In this game, each clue contains a geographically related clue or other proper noun.*
