Movie Song IQ Test 1

Estimated play time: Approximately 15 minutes
Number of players: Unlimited
Supplies needed: Scoring board/pad; noisemakers
Suitable for visually impaired players.

Overview:

You would probably have to live under a rock not to know that “Somewhere Over the Rainbow” comes from the 1939 movie *The Wizard of Oz* and was performed by Judy Garland. But how is your Movie Song IQ in general? In this quiz (the first of two – another one coming next week), we give a line or two of a song associated with a movie. Your players must provide the name of the movie; and for extra kudos, see if they can identify the person who performed the song.

Instructions:

1. This game can be played by individuals or in teams.
2. Read the first clue. Discussion is permitted among teammates. Prior to the start of the game, a method to signal when a team is ready to answer must be determined. Ringing bells and New Year’s blowers are just two inexpensive noisemakers. Raised hands work, but the host must be vigilant to watch for whose hand went up first. The host always has the final say in any disputes.
3. After a player/team is recognized as the first to signal, they may give an answer. If the first answer is incorrect, the other teams may “buzz” in and answer.
4. Scoring: Give 10 points for each correct answer.
